Practor Second embraces his literary and public career.

Both Periods make two large, elegant 12mo, volumes, sold separately, at \$1.25 cach, or \$2.50 the set. Mailed free.

The "Confessions" incidentally portray the remarkable times immediately preceding the French Revolution. The aqualid wretchedness of the peasantry; the gross licenticusness of the clerry; the galantries of the nobility. It introduces us to those famous philosophers, Volteire, d'Holdach, Diderot, d'Alembett, hume; to Messiames de Warena, d'Epinay, and the senhanting d'Houdeot. But the heart-revealings of Jean Jacques are its crowning glory.

AMERICAN WATCHES—To the TRADE.—

A These Watches are made by the aid of new and original machinery and tools expressly designed to secure with a low price a face, substantial and correct time keeper. The movements are new, simple and beautiful in plan and construction, remarkably easy of repair, and have been pronounced by the ablest chronometer and watch-makers to be faulties in principle and quality, and by all who have used them to be reliable in performance. Each one is engraved "Appleton, Tracy & Co., Waltham, Mass.," and is accompanied by a certificate of genulation of the properties of the properties of the performance. We ask no man to buy these Watches merely because they are of American manufacture. We ask only that this fact shall not be permitted to exclude them from consideration. We claim that Watches equal in quality and merit cannot be obtained so cheep in Europe; and we ask our countrymen tagiveness of the under-mentioned firms, who are sgents for the sale of our goods in New York, viz:
